They were short-staffed tonight, but our experience was great anyway. They did a fantastic job of taking care of our table. The night wasn't easy for them, and they still did great. Food: 5/5 [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations, and there is no-charge WLAN. If the weather conditions are right, you can also be served outside. What [User](#) doesn't like about Sushi Haru:

First, the waitress was a peach. She was polite and warm, but they didn't have two different types of Sale that I wanted that were on the menu, then the waitress tried to turn me on to one that she didn't know anything about and the manager had suggested but it wasn't on the menu. I then asked for a couple of appetizers that I normally find in other Sushi restaurants in Texas but they didn't have them and they did... [read more](#).
