What [User](#) likes about Tacolumbus: OMG was the food fire. Tasted so good and was cooked to perfection. Loved every bite and will be returning. Service was fast and didn't have much of a wait at all. Walked right in and ordered and was seated and it only took a few minutes and they had our food or to us. Would really recommend this place of you're in to steak tacos or any authentic [Mexican](#) food. [read more](#). When the weather is pleasant you can also eat and drink outside. Get excited about the *diverse, fine* [Mexican](#) cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers).
