Loved this place! They have all my favorites: sweet potato roll, avocado roll. Loved the miso and edamame. Everyone with us loved their food and the prices are fantastic! Get the mochi for dessert! [read more](#). What [Huda A](#) doesn't like about Sushi Sake:

The service at this place is awful! The little man that runs the place doesn't know what he's doing. He has a terrible attitude and just simply rude. The food was not good at all! I would give it zero stars. It had no taste and the chicken was flavorless and dry/rubbery. Not worth the wait or my money. [read more](#). With a lot of freshly harvested vegetables, fish and meat, the [Sushi](#) Sake from Mehlville prepares easy-to-digest, tasty Japanese dishes, among the specialties of this establishment are especially the **Sashimi** and **Te-Maki**.
