Beautiful atmosphere, fun modern furnishings. The food was mainly the Guac and Chili Rellenos (big both baked and fried). Margaritas were strong and tasty. Free chips salsa. [read more](#). The restaurant offers free WLAN for its guests. What [JyoW](#) doesn't like about Rio Grande Mexican:

Overpriced, small portion, of micro waved food. The cheese was actually melted to the plate. Makes a Banquet meal look good, or maybe it was one. Poor service. The joint offers a little bit of this and a little bit of that with its well-known Tapas, there are also delectable vegetarian menus on the menu. Surely, it's also a nice experience to feel like in the **Wild West** once, to drink and eat like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice spicy burger, Especially, many customers are looking forward to the diverse, fine Mexican cuisine.
