Friendly staff and ingenious brothers who are clearly regular. Nice presentation of the food. I just ordered appetizers and they were delicious, but could have been more tasteful. It is expensive for what you get, but I would be interested to try it for lunch if they still have lunch special. [read more](#). You can use the WLAN of the restaurant at no extra cost. What [Mohammad K](#) doesn't like about Rumi Persian:

Awful experience at this restaurant. Ordered a mixed kabob platter and was given a different order. Was told that if the order was going to be fixed they would charge me for both platters. This absolutely makes no sense since they delivered the wrong food, why would I be charged for that? Ended up declining their terrible offer, and ate what was given to me. This is when my wife and I realized that on the entire skew... [read more](#). Whether you opt for a fine flatbread which is refined with a spicy garlic paste, or crispy falafel, the cuisines from the Middle East transport you for a moment to a distant land - rounded off with honey-like, crispy baklava, you can return satisfied to your daily life, there are also **tasty vegetarian dishes** in the menu. In addition, the place offers *Greek dishes*, like Gyros and Souvlaki with matching sides, The guests of the restaurant are also thrilled with the large selection of various coffee and tea specialities that the establishment offers.
