What [User](#) likes about Veronica's Cafe:

Very recommended to try this place! Sandwiches and soups were very delicious, and the service was great! Gluten-free bread was available for sandwiches that were nice to see. Many drinks options including coffee, latte, tea, lemonade, etc. There are seats both inside and outside. Inside there is a greenhouse-like room with hanging glass orbs, which is really pretty. Only a bathroom outside the building, at the back. [read more](#). If you're desiring some spicy South American gastronomy, you're in the right place: tasty meals, roasted with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu, For a snack, you can also have the fine sandwiches, small salads and other snacks. Moreover, there are delicious American meals, such as **burgers and grilled meat**, there are also **delicious vegetarian recipes** on the menu.
