He was just driving through Prate today and was here for a bite because McDonalds was strangely closed. It was really REALLY yummy... only complaint is that it's a mess while you drive to eat, but I think that's because I'm used to not put so much filler in the food. Today's lunch had all kinds of ingredients from the sides that were back, yummy! But hard to eat whole ride for certain. Lol [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological limitations. What [Michael Miller](#) doesn't like about Taco Delite: Salsa was actively fermenting (don't think that was intentional). Fortunately we don't have food poisoning. Makes you wonder what other menu items we ate were not stored at the proper preservation temperature or beyond the expiration date. [read more](#). Enjoy a bit of this and a bit of everything at the eatery, known for its well-known **Tapas**, Generally, the menus are prepared in a short time and fresh for you. Even the **versatile, scrumptious Mexican cuisine**, traditionally cooked with corn, beans and chili, is very popular with the visitors.
