The restaurant from [Prosper](#) offers **18** different menus and drinks on the menu at an average \$6.4. What [User](#) likes about Tapan Wok:

Great Chinese food and sushi at a VERY fair price. What more could one ask for? They make it fresh when you order so it's tasty and they will not use short cuts like cheaper cuts of chicken in the dishes. Go there and you can thank me later! [read more](#). What [User](#) doesn't like about Tapan Wok:

Just there. Eat a bite of beef fried rice and spit it out and threw it away. I never leave bad reviews because I am also an entrepreneur, but man it is not hard to make beef fried rice. How can you screw it up so badly? And the egg roll is also sucked. [read more](#). In the kitchen of Tapan Wok in Prosper, traditional meals are prepared with original **Asian spices delicious**, fine particularly are the Maki and delicacies like Inside-Out that this restaurant is known for. Many visitors also especially enjoy the *versatile, tasty Chinese cuisine*, The creative fusion of different menus with fresh and occasionally daring products is highly valued by the guests - a nice example of Asian Fusion.
