10/2022: seems to have gone downhill a little since I are there a few years ago. But still clean and food tastes good with authentic Chinese spices. Kung Bao Chicken: very generous portion contains (my guess) a chicken breast and approximately 75% squash and carrots Garlic Shrimp: mild seasoning not loaded with squash. Both dishes quite tasty. This place is a short drive from either of the two easternmost Tucumcari exits on I-40 and well worth the drive if you are looking for Chinese. Sorry to see downtown Tucumcari getting run down, it is a nice little route 66 town, dying because the new motels and restaurants are out by the interstate. Golden Dragon Chinese The brilliant Asian fusion cuisine will thrill you, the perfect balance of traditional dishes and exciting new creations will amaze!, Customers can enjoy the dishes from restaurant through a catering service at home or at the event. *menus are prepared typically in the Asian style*, Many guests find it especially great that they can try the versatile, tasty Chinese cuisine.
