Yamato's is a beautiful new addition to the area! The service is strong. The food is great. And the landscape is cool. I highly recommend going because I still have a meal that didn't like! [read more](#). The diner and its rooms are wheelchair accessible and thus usable with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and eat. What [Joe A](#) doesn't like about Yamato Japanese Steakhouse And Sushi: Last night I walked in to a dimly lit room and didn't see any customers and asked sincerely, Are you guys open? A female employee there wise cracked, No we're not open. That was my initial experience. The guy who seated my wife and I was polite, however. He was new. The food was very mediocre. Tasted like it was a frozen Chinese TV dinner that had been heated up. The rice was the only thing that tasted decent. I o... [read more](#). Look forward to the **diverse, tasty Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), Particularly tasty are also the Sashimi and delicacies like Sashimi from this restaurant. In addition, they provide you *fine seafood meals*, and healthy Japanese meals are being made with lots of fresh vegetables, fish and meat.
