This place was a great find on our road trip. We were looking for a restaurant with good food. We had burgers and club sandwiches. Since they had all different types of pommies, we have ordered all different. The winner for our family were the seasoned frits with ranch for a diving sauce. Burgers were juicy and exactly cooked to order. Great discovery! [read more](#). During meals, a refreshing drink is essential. In this gastropub, you will find not only delectable cuisine, but also a large and comprehensive selection of good beers and other alcoholic drinks that compliment the food, And of course, you should also try the **tasty burgers**, with sides such as fries, salads, or wedges provided. After the meal (or during it), you can still relax at the bar with a *alcoholic or non-alcoholic drink*, You'll find nice South American cuisine also on the menu.
