The blizzards are delicious, line was long and it took forever to get my order, and they screwed it for the first time, but quickly fixed it, and they can not control how busy they get that not their fault. They were really nice and helpful when it came to make my order again. Good customer service and good food! [read more](#). What [Radena](#)

[Winsbury](#) doesn't like about Dairy Queen:

I got the chicken strip basket. With fries. The cup that held the gravy was only half full.. The chicken was so dry I needed all the gravy to eat only half the chicken. So nothing to dip my fries in. Threw away the rest. Sure do miss the A&W that use to bethere. Never will eat at DQ again [read more](#).
