Today we were greeted with a huge smile from Allison. She's such a breath of fresh air! She took our order immediately, but did not hurry, she made us laugh and in the few moments of our interaction, she made us welcome. The few employees we contacted were also beautiful. Food came out quickly and hot! Great experience. [read more](#). You can use the WiFi of the establishment at no extra cost. What [User](#) doesn't like about

Pollo Tropical:

2/20/21.Great food. While waiting in the drive thru you could see how 14/20 cars go by across in Chick fil before you. Place with great potential but horrible operational management from corporate.3/24/21 Went today again 35 minutes wait drive thru. Got there daytime left nighttime Not other option. Doors are locked and guess are not allowed inside. I feel like they are doing me a favor for selling me their chicken with rice.w black beans. Great overworked staff. Corporate wise they are a disgrace as a business model with an excellent product. They should represent latin community better not as sloppy as they are. Their name is Pollo Tropical not Chicken from the Tropics. Pollo Tropical from Gainesville is a good place for a bar to have a beer after work and be able to hang out with friends, and you can indulge in fine American menus like **Burger or Barbecue**. As a rule, most *menus are prepared in the shortest time for you* and served, Moreover, the menu of this gastropub offers a good and especially extensive selection of beers from the region and the world that are definitely worth a try.
