I've only ordered To go from here twice and each time was better than the last! Their sauce is very rich and tasteful. They are no strangers to taste and quality. I absolutely love that they put loads of sauce in their pasta and it's not dry. Very tasty! Also side note, they deliver!! Order via slice. Grub hub's prices are slightly higher than through Slice. Tony D's Pizzeria:

Last night here and ordered a big pepperoni cake. The cost was \$24.70. It's absurd to charge almost \$25.00 for a cake! And I know the owner will say well, the price of the ingredients has risen. Still over \$3.00 to load a piece when you buy a whole cake is ridiculous. I wonder what the cost of a pepper soup is. There are at least 4 more [pizza](#) places in one mile. Will definitely go to one of them. [read more](#). Tasty [pizza](#) is baked hot from the oven at
