Ordnete the children falafel platter and was very happy with the quality, especially with the falafel. It is difficult to have good tasting falafel and this place really made it great (from someone who had real falafel). The hummus was also delicious with the falafel. Will definitely eat again? What [User](#) doesn't like about Pioneer Organic Cuisine:

No taste! Order gyro plates, the meat was cut as thin as it looked more like a shrimp. Probably an ounce of meat overall. The food was tasteless. Also ordered 2 bedrooms, again tasteless and so thin and tiny. Too bad I love this kind of food. I think I have to stay with Pita King or Pita Guys. BTW, I'm half Greek, I know this food.
