Super cool place! We just stopped for a beer while swallowing, and I really want to go back and try some food. I loved the atmosphere. It reminded me of a mountain hut back home in Wyoming! read more. You can use the WLAN of the establishment at no extra cost. What User doesn't like about Cozy Inn:
Rude waitress literally threw the silverware at us! She did not introduce herself, ask if the food was alright or offer to bring new drinks. The food was cold and had to be re-heated. They take cash only, and the check is impossible to read. No idea if we were charged the correct amount. Stay away!! read more.
