[David Kelly](#) likes about Barrel House:

Came here for a late lunch. Service was quick and friendly. Had the ham and cheese pretzel melt with wings. Prices were fair and the portion of blue cheese when ordered for the wings were large. The fries that came with the sandwich were also a large portion homemade and excellently crisp reminding me of five guys fries. The pretzel bun was also very good if you want to consider upgrading. Stopped in because of the reviews, but ended up really disappointed. The food and the prices were fine, not great. But the service was awful. My server never came to my table after bringing my food, even though I intended to order more. I had to flag her down to close out. She dropped the bill then never came back. I luckily had enough cash so I was able to leave the cash and walk out. I won't be coming back again. [read more](#).
