I love their selection of spices rubs, their açai bowls also look incredible! More importantly, the woman working at the store yesterday was a gem. I was alone with my baby my phone got stolen the lovely woman let me use their phone showed me genuine care when I needed it most. She was a class act for sure [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations. What [Claire T](#) doesn't like about Gypsy Moon Market:

Racist Workers. I came here after disneyworld as most people do. I was looking around while it was very slow and the workers were following me around the store. After everything I had picked up or even looked at, they came up to that section and looked at the area thoroughly. My husband had also take note of this.. the workers had even came up to us and told us that they will hold our items at the front cash register... [read more](#). An additional service offered by the establishment is the **catering service** for customers.
