What [Melissa M](#) doesn't like about Antojitos Lupita:

There aren't many vegan options. I got the side of rice and beans. I was told that the beans did not have lard. The food was fine, beans were good, rice was ok. The portion was filling. I'm not sure that this alone would make me come back here though. This is for other vegans looking for different places in Dallas. [read more](#). If you want to a cocktail after work and hang out with friends, Antojitos Lupita from Dallas is a good bar, and you can look forward to the delicious typical seafood cuisine. Even the **versatile, scrumptious Mexican cuisine**, traditionally cooked with corn, beans and chili, is very popular with the guests.
