Holy cow this place is good. They sit fast, they tell you what they serve this day, you say yes and they bring you your food. A dead simple formula they nail with laser precision. Our hosts were amazing and friendly and wore the entire serving area with a smile. Are food was amazing and they had a good (small) choice of local beer.

Would go again! [read more](#). What [User](#) doesn't like about Samoa Cookhouse:

Located in a beautiful scenic spot. Museum and tribute photos are great! Food was average. Pretty sure they are experiencing the staffing shortage as wait times and frazzled workers were evident. Bathroom wasn't very clean and needs some updates. Overall I'm glad to say I've been but probably won't go back. [read more](#).
