Absolutely the best place to get Poutine in the Bay area. Back in Canada, Smoke's Poutinerie was not my favorite, but with limited options here, it is definitely the way to. Don't be fooled by all the crazy combinations. The cheese curds are on site, but the engraving could definitely be improved, especially on the traditional veggie.

Pros- A lot of options for non vegetarian and the food was great. Efficient service. Cons- Barely couple options for vegetarians. There should be different sizes for the items since it's not necessary everyone can eat that basket at one sittings and the fries would get soggy after some time. [read more](#). At Smoke's Poutinerie from Berkeley you have the opportunity to enjoy delicious vegetarian courses, in which no trace of animal meat or fish was processed, It's worth mentioning that the original **Canadian meals** are well received by the guests of the local.
