Excellent food. I was craving Korean food. We were pleasantly surprised with the place- a bit of an odd choice of pop wall art- comfortable, very good set up for Korean BBQ and sushi. Nice presentation, generous portion and delicious Korean stews. Undoubtedly, we will be back!! The soups are very satisfying and flavorful. [read more.](#)

Lovers of Korean cuisine are right at home here: The range includes Kimchi, a variety of diverse variations of Bibimbap, alongside a multitude of delicious Jjigae that enchant the taste buds, and it's made with lots of freshly harvested vegetables, fish and meat, healthy Japanese menus cooked. But the undisputed highlight of this restaurant is the tasty *Sushi such as Nigiri and Inside-Out*, There's something for all tastes and it's impossible to go wrong with the bite-sized Tapas.
