What [User](#) likes about Redbeard's: Getting better. We haven't eaten here in years because the service was so bad last time...wouldn't let us sub sides, slow, got apps and food at same time...but we gave it another shot. And while I still miss the original mountain resort and yacht club I could crawl home from it has turned into more of a restaurant than a bar it seems. Shrimp jammers are still banging! Side salad was tasty and so were the chicken kabos... [read more](#). For those who want to a cocktail after work and sit with friends or alone, Redbeard's from Pittsburgh is a good bar, You can also discover scrumptious *South American* menus in the menu. There are also delicious American menus, for example, **burgers and grilled meat**, Furthermore, the drinks menu in this restaurant is impressive and offers a good and comprehensive diversity of beers from the area and from worldwide, which are definitely worth a try.
