It is so good! The different soup options and to be able to taste. They know what they are doing! I have not had the same kind of soup yet! And they were all good...cheddar broccoli, kale quinoa superfood and the crab and rice [read more](#). You can use the WLAN of the establishment at no extra cost. What [Amanda Stancil](#) doesn't like about Zoup!:

Tried Zoup! for the first time this evening, and unfortunately wasn't impressed. I ordered the 'really good chicken noodle soup,' as well as the chicken pot pie soup. Both were Luke warm and heavily processed. My sandwich was also missing some ingredients. Many other soup and salad places around that offer higher quality food at the same price point, in my opinion. [read more](#). The comprehensive selection of coffee and tea specialties greatly enhances the value of a visit to Zoup!, A catering service offered by the restaurant allows you to eat the meals at home or at the function. In conclusion, the restaurant also offers a diversity of healthy dishes, which are certainly worth tasting, Besides the fine **sandwiches**, healthy salads and other snacks also make a good snack.
