Very good authentic tacos and tostadas. Had the tostada with pernil, a taco with ground beef, and a taco with chorizo, cc style. All were good but I think the tostada was my favorite and the ground beef my favorite of the meats. [read more](#). What [jamie norman](#) doesn't like about Jalisco Tacos:

Not really authentic [mexican](#) style tacos, WAY too much lettuce. Do not get the beef steak tacos, no flavor. Also, over priced tacos, \$5 for one taco? Staff was nice though. [read more](#). Anticipate the **varied, delicious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers).
