I don't want to give a bad rating because the sandwiches were good and still warm but when it came to the bagel there was barely any cream cheese on it, almost nothing at all. I will definitely order sandwiches from here again, the chopped cheese and bacon egg and cheese was on point. [read more](#). What [Mohammed Hamdi](#) doesn't like about Burnside Finest Deli: I ordered a chopped cheese and the meat was spoiled. Unfortunately, I already ate a quarter of the roll and had the nastiest bathroom experience in a while. Rather drink prune juice every hour than do that again [read more](#). The succulent and fresh juices on the drinks menu supremely enhance the meals in the local, Additionally, you save time with the diversity of ready-to-serve **delicacies**, without influencing the enjoyment.
