I have ordered every single birthday cake and birthday cupcakes from Antonio's since 2017, I am pleasantly surprised every time. Delicious flavor, moist cake, and I always receive compliments. Highly recommend the pink velvet and the strawberry buttercream. Chocolate truffle is my personal favorite. It is always an easy ordering experience, the staff is always friendly, and they make a quality product. [read more](#). What [Francine A](#) doesn't like about Antonio's Cupcake Factory:

Went in for macarons and a cupcake. Cupcake frosting was hard and fell right off the cupcake, macarons were hard and crumbled. Tossed it all in the garbage and will not return. I've been here once before and everything was fresh. Not to mention, the back of the store was a mess which could be seen by customers. [read more](#). An additional service offered by the restaurant is the **catering service** for customers.
