What [G](#) doesn't like about Hong Yen: Food itself was OK, with the exception that there was a hair on the food. THE \$14 special pho didn't have much meat for \$14. Service was not bad, although it took a while for them to get the check when we were one of two customers in the restaurant. Little dingy but pretty clean, and the bathrooms were hot as hell. Definitely not the best pho around, but you could get better. [read more](#).
