The only downside is they don't wipe down tables as we've gone upstairs and seen food left on tables that were open, so service just needs a bit of an improvement. [read more](#). When the weather is nice you can also eat and drink outside, and there is no-charge WiFi. The rooms on site are accessible, and therefore no problem for customers with wheelchairs or physiological limitations. What **Neal P** doesn't like about Jewel Box:

Do not waste your money. The food is good, but the service is terrible. The tables are not clean. The bathrooms are not clean. Find a better place to spend your money. [read more](#). In the kitchen of Jewel Box in Tacoma, traditional courses are prepared with typical Asian spices scrumptious, and you have the opportunity to try fine American dishes like **Burger or Barbecue**. It should not be forgotten that there is a large diversity of *coffee and tea specialties* in this locale, Besides, the creative blend of different dishes with new and sometimes adventurous products is appreciated by the guests - a good case of Asian Fusion.
