[Cassie V](#) likes about Torimatsu:

Simply THE BEST. Everything here is amazing, the quality is just unbeatable. Make sure to make reservations, I've witnessed so many walk-ins get turned away because it's so busy. [read more](#). What [Mark S](#) doesn't like about Torimatsu:

Racist restaurant. Don't come here if you're a person of color. They clearly want to keep it Japanese only. They insisted on a hour wait time despite there being several open seating areas. Save yourself the trouble and go anywhere else where people of color are accepted. [read more](#). During a meal, a good drink is essential. In this [gastropub](#), you not only get delicious dishes from the menu but also a comprehensive and particularly good assortment of **good beers and other alcoholic beverages** that go well with the food, Furthermore, the guests love the creative combination of different menus with new and partially experimental products - a nice example of successful **Asian Fusion**. Torimatsu focuses on a lot of freshly harvested vegetables, fish and meat in its healthy Japanese cuisine, You can take a break at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
