What **Amber** likes about Big Apple Bagels: Ordered a breakfast sandwich (sausage, egg, cheese) on jalapeño bagel and it was outstanding!!! Everything made fresh to order. Everyone super friendly. Clean restaurant. Bagels are thick and soft and chewy just how bagels should be. Undoubtedly a 10/10 experience and I will absolutely be returning! I highly recommend this place. [read more](#). What **Ally B** doesn't like about Big Apple Bagels: I ordered online. You choose 2 options for bagels. I didn't get either option and was given a plain bagel instead. I had requested that it be toasted and I didn't get that either. My bagel sandwich in general did not appear very fresh. The berry smoothie tasted terrible. I took one drink of it threw it away. We use to order from Bagelicious and are now trying to find a new bagel place. [read more](#).
