Love this place! It's perfect for lunch and breakfast time. The owner is a sweet heart and very generous! Even though I won't be in the same building anymore, I will definitely make the trip downtown for lunch just to eat her turkey wraps! [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological limitations, and there is complimentary WiFi. What [Josiah G](#) doesn't like about Deli At The Grove:

Tried the breakfast burrito and it was nasty and overpriced. Somehow the eggs were burned and the peppers undercooked. For the quality of the food it should have been about \$3 instead of almost \$6. It's clean and I'll try it's lunch menu but will not be returning for breakfast. [read more](#). For breakfast, you can enjoy a **rich brunch** at Deli At The Grove, freely at your own will, A *catering service* offered by the restaurant allows you to enjoy the meals at home or at the party. Sometimes you may not want to consume a lot, in this case one of the fine sandwiches, a healthy salad or another snack is just right.
