What User doesn't like about Primos Tacos:
Food on par, nothing that stood out. Small tacos that looked appetizing but not tasty. Best thing was their salsa and their glass bottles they're in. A small mason jars for horchata was disappointing but you do get one refill.Food: 3/5 read more. Look forward to the **diverse, fine Mexican** **cuisine,** traditionally prepared with corn, beans and chilies (hot peppers), Furthermore, the drinks list in this restaurant is impressive and offers a good and extensive variety of beers from the area and from worldwide, which are definitely worth a try.
