If you're craving some *zesty South American cuisine*, you've come to the right place: tasty meals, cooked with fish, seafood, and meat, though corn, beans, and potatoes are also in the menu, Also, the drinks menu at this place is exceptional and offers a significant and varied diversity of both local and international beers, which are definitely worth a try. In addition, there are fine American dishes, such as **burgers and grilled meat**, The **barbecue** is freshly cooked here on an open flame.
