The first time I ate here was a take out order of Pad Thai. It was bland and dry. I decided to give them a second try, in case they had just had a bad day, and I ate inside the restaurant. The yellow curry was the worst I've ever had. It was like a bowl of water with a dash of curry added for color. I'm glad I got it somewhat spicy, so it atleast had some flavor. I would give only one star, but the waitress was nice. read more.
