06/07/22 It's been a while since I last ate at Hwy 55 burgers (~4 yrs). Their burgers are good but not really memorable. I had the pimento cheeseburger, and the pimento was not it. It tasted like nothing but watery mayo. My brother ordered the cheesesteak with no onions but our waitress must've forgotten or not heard him. He still ate it since he didn't want to wait another 15 mins for his food. Not my favorite burger place but it's not the worst in Wilson. Would rather eat here than Hardee's or Burger King but alas there are some really good burger places such as the Ruckus, Best n Burgers that, imo, are better. The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological limitations, Depending on the weather conditions, you can also sit outside and eat. Highway 55 Burgers from Wilson is famous for its exquisite burgers, to which **tasty fries, salads and other sides** are presented, Generally, the dishes are prepared in a short time and fresh for you.
