What [Ed G](#) likes about Gulf Shrimp Company:

The retail store was much smaller than I was expecting. It was only a fraction of the size of the building. I think they predominately do deliveries to other businesses because they have a large processing building and many refrigerated delivery trucks outside. [read more](#). The restaurant is accessible and can therefore also be used with

a wheelchair or physiological limitations. What [Cara Ciesla](#) doesn't like about Gulf Shrimp Company:

1st time purchase very salty calm chowder. \$15 lobster bisque wish the price was posted. Not worth it. Saving lobster Mac and cheese for another day. Not running back. Sorry. For customers of the establishment, the *catering service* is also available, and you can look forward to the delicious typical [seafood](#) cuisine.
