We ordered a jumbo gyro, chicken gyro add feta, fries, jalapeno peppers fried cauliflower. Jumbo gyro was phenomenal! Gyro meat is cut from the shawarma fresh lots of it as well! Nice zesty! Chicken gyro seasoned with a great peppery mix. Fries, poppers cauliflower are all air fried, so it lacks a little of the oily, golden brownness. Poppers are cheddar filled and good flavor. We probably will not get the cauliflower again, not that it was bad, just that it wasn't outstanding. We will absolutely be visiting here again and again!. The restaurant also offers the possibility to sit outside and be served in beautiful weather, And into the accessible spaces also come guests with wheelchairs or physical limitations. WLAN is available at no extra cost. What [Dena Feinsand](#) doesn't like about Gyro Time:

Perhaps this was a fluke but I won't be back. Update here?'s a copy of my receipt so you can know exactly what I ordered, no chicken gyro [read more](#).
