Good food! Great service! Our first time here and we were pleasantly surprised. Only giving 4 stars bc though our food came out fast, and tasted fresh, nothing was really hot. Very tasty with good coffee tho. Also very kid friendly which was a great perk, and we loved the music selection. Another negative is just how small the parking lot is, but we will definitely be back. [read more](#). What [User](#) doesn't like about Scramblers:

The best part of my meal was the yogurt. Coffee was fine. Sour dough toast was fine, but my spinach and portabello omelet was underwhelming and definitely needed seasoning. Grits were too thick. I may go again but I will pass on the breakfast options. If an omelet falls short, it's difficult to be confident about much else on the menu. [read more](#). With the comprehensive variety of *coffee and tea specialties*, a visit to Scramblers becomes even more attractive, In the morning they serve an extensive breakfast here. Surely, it's also a nice experience to feel like in the **Wild West** once, to drink and enjoy like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice spicy burger.
