We love Salsarita's everyone is always kind and the food is great. I made the mistake of ordering through the app for delivery, which is delivered by doordash apparently. Our food was never delivered to us and the store does not answer. I started calling at 8 and it went straight to voicemail. I tried contacting doordash who said it was not them. So I guess I am out dinner for me and my children and no one cares. [read more](#). An additional service offered by the restaurant is the **catering service** for visitors, Many guests are especially looking forward to the diverse, delicious Mexican cuisine.
