House special egg foo young and moo shu pork are regulars for me along with vegetable bean curd soup.Vegetarian options: Plenty of vegetarian options, ask for the white sauce if you want lower salt on dishes such as broccoli and shrimp.Parking: Plentiful parking. <u>read more</u>. In nice weather you can even have something in the outdoor area. What <u>Eric Chick</u> doesn't like about China House:

For starters the color.I have never seen fried rice this color, the rice was freshly cooked rice not cold rice so does not cook the same and doesn't fry rite. There was minuscule ammount of onion and shrimp aswell. End of the day it was the worse imitation of shrimp fried rice I have ever seen. The flavor was interesting at best. <u>read more</u>.
