Definitely worth going to! Delicious! I got El Abajeno burrito with Chile Verde, beans, cheese lettuce tomato wet. And it's big, I mean BIG! Like enough for 2 4 people and delicious ???? You can order it however you want with choice of meat, beans, rice, lettuce, tomato, sauce, onions and jalapeno. Even though it's \$12.50+ it can feed 4 people, or yourself for a day or two. [read more](#). What [User](#) doesn't like about El Abajeño:

I tried the chile relleno burrito was huge, but it was yummy for a few meals.. My parents also liked their lengua burrito.. 1 thing i didnt like is there was no inside dining ???? [read more](#). Get excited about the diverse, fine Mexican cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers).
