Wow, just wow. I am addicted to the arugula salad with the candied pecans and crisped prosciutto. In strawberry season that adds a great little sweet tang and the dressing is delicious. We tried the sweet heat pizza tonight and it was a winner too! We also love their pepperoni pizza. Its crust is delicious! [read more](#). The restaurant offers complimentary WLAN for its guests. What [Alicia W](#) doesn't like about Teglia:

Didn't realize how much spinach/greens would be on the pizza and completely embedded and under the cheese, etc as it definitely doesn't appear that way in the pic. Also the random cloves of garlic was not what we were anticipating. [read more](#). An additional service offered by the restaurant is the **catering service** for visitors, You shouldn't miss the opportunity to try the flavorful pizza, baked fresh in an traditional manner. Even if you're not so famished, you can treat yourself to one of the fine sandwiches, a healthy salad or another snack, and you can look forward to traditional Italian cuisine with classics like pizza and pasta.
