OH MY, Their coffeecake is the best I've ever tasted! It's the right amount of sweetness to it. I pair it with my fresh fruit strawberry banana smoothie. It was so good and clean! Really friendly ladies/staff and menu was easy to read and order from their food truck. I was left with a good impression from the food. Can't wait to see them again and order their cupcake next time. [read more](#). You can use the WLAN of the restaurant at no extra cost.

What [Terri Jeffries](#) doesn't like about Coffeecakekc:

Excellent coffee but completely unreliable. Could be a great company, but they don't honor their commitments.

Obviously they don't maintain this page, either. [read more](#). A visit to Coffeecakekc becomes even more rewarding due to the large variety of **coffee and tea specialties**.
