What [Miranda R](#) likes about Sister's Cravings Juice And Grill: Stopped here to pick up lunch the other day. I got the j chicken, quinoa bowl and it was delicious! I like that you can add a good amount of toppings and options without an up charge. It is pretty pricy for one bowl so I'm not sure it's something I'd do regularly. However the flavor was great and fresh and the women who worked there were very friendly! Will stop again [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities, and there is no-charge WLAN. The *catering service* is also provided by the establishment for its guests, Also, the drinks menu at this place is exceptional and offers a significant and varied assortment of both local and international beers, which are definitely worth a try. Of course, we must not forget the comprehensive selection of coffee and tea specialties in this restaurant, Especially the fine **juices** are highly appreciated by the customers.
