Genie's is my favorite restaurant in the area. The food is always excellent and we order from here 1-2 times a month. The owner knows us by now. It's way better than the place in Folsom. It has the best lentil soup I ever had, along with amazing sides and mains. I hope more people get food from here so he can stay in business. A true Diamond in the rough! [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological disabilities. Whether it's a fine flatbread with a pleasant garlic-infused dip or crispy falafel, enjoying the menus from the **Middle East** can make you feel almost like you're on vacation - rounded off with a crispy, sweet baklava, you can return home blissfully happy to your everyday life.
