What [Mr R s](#) likes about Taki Tacos: Wow, what a great new place. I ordered 4 things: Beef Flautas, Beef Nachos, Asada Tacos, and Chorizo Tacos. All of them were great and tasty. The green sauce (Tomatillos) was fresh and excellent. I tried the orange color sauce and it is great but very hot(you've been warned). Service was friendly and happy. A must go. I will be back as I am a lover of tacos. [read more](#). What [User](#) doesn't like about Taki Tacos:

Bad service and food. The person taking my order didn't speak a word of English it seemed like, so I talked slowly and repeated my order at least 4 times to make sure he gets it right.....and he doesn't!! I told him 6 tacos and he gives me 2? And the tacos didn't taste good at all.....no flavor. [read more](#). At Taki Tacos in Herndon, tasty, juicy, delicious barbecue is freshly prepared on an open flame and served with flavorful sides, On the menu there are also several Asian dishes. *Dishes are usually prepared in the shortest time for you* and brought to the table, and you may look forward to the delicious traditional seafood cuisine.
