What [Sam Sinjlawi](#) likes about Helen Of Troy: I love this place and the prices are still the same pre covid very reasonable prices and good . Try the spinach pies and the Cabage rolls and the Gyro and Lamb Kabobs Everything is good. Just talking about it makes me hungry ? Vegetarian options: Plenty of choices Parking: Lots of room Kid friendliness: The owner have 2 young daughters and he loves the little ones very friendly atmosphere [read more](#). What [Mahdi Grace](#) doesn't like about Helen Of Troy:

Google Map shows the store is Open, however , when I arrived it was closed. I drove 20 minutes. Nothing personal with the one star review, just reflecting my experience. [read more](#). At Helen Of Troy in Tulsa you can **savor delicious vegetarian dishes**, that are free from any animal meat or fish, The palate also enjoys well digestible Mediterranean meals that are available. Even if you're only not so much hungry, you can still treat yourself to one of the fine sandwiches, a healthy salad or another snack, Don't miss the chance to enjoy the tasty pizza, prepared straight out from the oven in an original way.
