They make really good food for good prices. I've only had it delivered, have not eaten there in person yet. I'm always amazed at the amount of meat included in their dishes, way more than a lot of Chinese take out places. [read more](#). The restaurant offers complimentary WLAN for its customers. What [Drea M \(MsPrettySmart\)](#) doesn't like about Chopsticks Express:

Order for delivery- orange chicken with fried rice, cheese wonton, ... Delivery received was orange chicken with white rice, cheese wonton... The food was delicious! I was very disappointed that my order was absent fried rice! I selected the option that if what I ordered was unavailable to refund the item. Maybe someone from the store could have called to notify they didn't have fried rice?!? That could have been a selling p... [read more](#).
