What [User](#) doesn't like about Fiery Crab Seafood Restaurant And Bar: 2 orders of the crawfish set/special was the right amount for 3 people- we ordered the medium Cajun fiery spice and it was delicious! Their sweet tea is too sweet in my opinion, I would ask for half unsweetened next time. During a meal, a good drink is essential. In this *gastropub*, you not only get delicious cuisine from the menu but also a comprehensive and particularly good selection of good beers and other alcoholic beverages that go well with the food, The customers of the restaurant also consider the extensive variety of various coffee and tea specialities that the restaurant offers. There are also scrumptious American dishes, for example, **burgers and grilled meat**, You can also discover delicious **South American** cuisine on the menu.
